We hope that this update finds you and your families well. The Ramapo Ridge Recreation Association Board (RRRA) has the health and safety of the community at the forefront of our decision-making process, the rules, restrictions and guidelines set forth by Federal, State and Mahwah Township governments.

Currently the tennis courts are under repair, which was slated before the current situation with COVID19. Rain and colder than usual Spring temperatures caused repairs to begin later than anticipated but will be done in the next day or two. The tennis courts will open Saturday, May 23rd at 8am. The following restrictions would apply -

No guests will be permitted to participate in any form. RRRA resident only.

You should have available your RRRA picture pool ID or a valid NJ license showing your residency

No children under 13 are allowed to play without being accompanied by a parent or adult in their household.

There will be a daily sign-up sheet, posted outside the tennis court to sign up no more than 24 hours ahead of time. (bring your own pen) Unless you sign up in advance you will not be permitted to play. Please do not come more than 5 minutes before your designated time slot as we do not want people congregating within the fenced areas.

Singles will be 1 hour, doubles 1.5 hours and pickle ball 1 hour.

Social distancing, proper sanitation and hygiene are key for everyone's health and safety.

Facemasks are strongly recommended!

NOTE: The water foundation is NOT available so you will need to bring your own water/sports drink. Please take the water/drink container with you when you leave.

The rest rooms and main building are NOT open.

If compliance with these rules is not maintained, the Board has the discretion to ban a unit owner from play or reverse its decision to open the courts.

MOST IMPORTANTLY - YOU ARE PLAYING AT YOUR OWN RISK!

Stay well.....

The Board of Directors
Ramapo Ridge Recreation Association

FYI – Once the Governor opens private/public pools, as well when the Township of Mahwah decides to issue the necessary permits, a further notice will be sent regarding guidelines for use of our pool.
